## UNIQUE MOBILE VENUE

### About Deckerdence

Deckerdence is a beautiful, high quality bespoke & unique mobile venue which creates an amazing atmosphere and unforgettable experience. Our expert team with over 200 combined years experience in events pride ourselves on attention to detail, excellent customer service & being able to provide you with everything you need for your special occasion. With various hire options from attached canopy to full wrap around marquee we can create the perfect.

**If you hire Deckerdence Bus Bar you have a full traditional bar on the lower deck and lounge bar on the upper deck with a fully stocked cash serving bar.**

Our traditional main bar serves traditional real ales, premium draft cider and lager, champagnes, prosecco and fine wines with an extensive range of spirits and soft drinks. If we don't currently stock your favourite drinks, we offer a bespoke service to accommodate this for you.

We are personal license holders and on the day of your event, your team will include a licensee,

bar staff and cocktail mixologist and your event manager.

You are assigned a booking co-ordinator who liaises with you to sort all of the logistics of your event from start to finish of the hire. They guide you through the process of sourcing a venue, conducting a site visit to ensure it is suitable for Deckerdence and its support vehicles (a 2nd vehicle that transports the marquee structure and furnishing and stores a refrigeration unit for chilling the drinks prior to stocking the bar) and to organise a TEN (temporary event notice should your event require it)

"Clare, I just wanted to thank all of the Deckerdence team for providing such a fantastic venue for Emily's 21st party. Our Deckerdence experience last year for our 25th Wedding Anniversary was amazing but the new team led by yourself and Mark, excelled even that. Add to all this the great food and fantastic DJ, and you have the perfect venue for a proper party. Please pass on my thanks to all your hard working team and we look forward to booking Deckerdence again for our next big occasion."
